### Share Our Space

**Due to Public works happening in the school grounds over the holidays, the school will not be participating in Share Our Space for the upcoming holidays. Please remind students not to enter the school grounds. This is for safety for our students and the workers on site.**

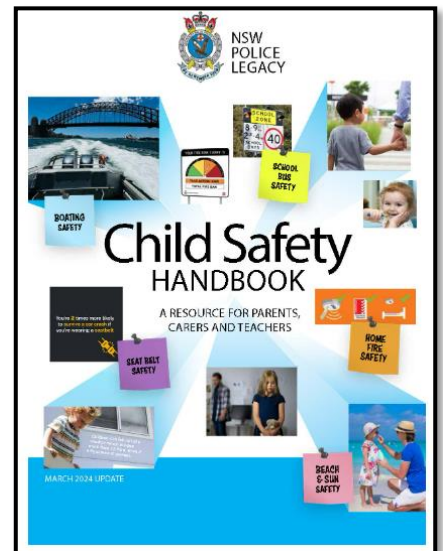

### From the Principal's desk

Giinagay and welcome to Week 11 of Term 1. What a fabulous term we have had. So many fabulous opportunities our children have been involved in. Our students are out of school at the Orara Valley Learning Communities' Cross Country. We have already heard some fabulous results and look forward to hearing how all our students have gone today.

Tomorrow our Director Educational Leadership (DEL) is visiting our school to spend some time in classrooms to experience a feel for our school and see how our classrooms work on a regular day. We look forward to him seeing our wonderful school and the magic that happens in every classroom.

The Child Safety Hub is an important resource that has come out from the Police Commissioner, Karen Webb, APM. We are asked to share this hub and the child safety handbook with our community. I encourage all parents to take some time to look at this great resource.

This Thursday is our Crazy Sock Day as a fundraiser for Stewart House. We

look forward to seeing some very creative socks. Look out for the staff socks as they have all been getting ready for the day. Please bring a gold coin donation for Stewart House. Please remember that crazy socks are not school uniform and should not be worn as regular school uniform.

Please remember that the school is not open to the public over the holidays. Last night we appeared to have had a motor bike in the school grounds, leaving skids under the COLA. If you hear this activity in the school, we please ask for the police to be called. Paint has also been removed from walls. This type of vandalism costs the school money and takes away from resourcing important initiatives in the school.

**ANZAC MARCH** – We understand that the ANZAC Day March is in the second week of the holidays. We appreciate that many of our families take the opportunity to spend time with each other and go away. If you are home and are able to attend the march in Coffs Harbour, it would be lovely to see children there. Nana Glen is always well represented, and we love to see our students hold up this tradition. If your child is able to attend, please come in full school uniform.

**Cedar and Steam Display** – I encourage everyone to go to Glenreagh for the Cedar and Steam Display this weekend at Glenreagh Hall. Our students have worked on some very creative pieces of work and is a wonderful opportunity to show their talents to a wider audience.

**Have a wonderful break.** If you have the chance to travel, please travel safe. Students return on Tuesday 30<sup>th</sup> April.

Have a great week. Yaari Yaaraang.

## School Maintenance

Please note during the school holidays we will have some contractors on the school grounds to clean out our gutters on the roofs and our storm pits.

## School Anzac Ceremony (Term 2 – Week 1)

Date: Wednesday, 1<sup>st</sup> May at 10:00am.

Students may bring in flowers to lay as a sign of respect to all our brave soldiers both past and present. Students wishing to wear war medals of family members, may do so but should keep them in the school office straight after the ceremony for safe keeping.

## End of Term Wrap Up

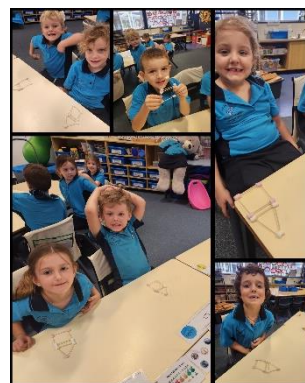

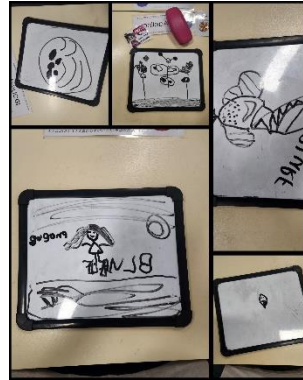

### MC Class

In the MC class, we have had a busy term full of growth both socially and academically. It has been great to see our students improve and challenge themselves in these areas. Bring on term 2!

### Kindergarten Burrli Burrli

It has been a wonderful start to 2024, with students building their capacity for learning and developing skills to make friends and navigate the big wide world of school. What amazing personal and academic growth we have had already and what a full term it has been. In Maths we have been exploring shapes and their attributes, making shape houses with marshmallows and toothpicks. In Literacy, we are learning to structure sentences and are developing our understanding of symbolism and other literacy devices used in texts. We are developing our phonemic awareness and are learning to identify, and blend sounds together. Kindergarten have been practising for the end of term assembly and are looking forward to our families watching us perform. Great Work Kindergarten! We have learnt so much and are ready for a well-earned break. Mrs Reibel is very proud of all these superstars. Look out Term 2!

## Year 1

Year 1 have worked exceptionally hard while Mrs Hayhoe has been absent. They have completed daily Literacy, Reading and Maths work while also doing some neat art/craft activities and skills in daily PE. The class also completed a graph on "eye colour", determining which students have blue, brown, green, grey or hazel eyes. They have earned their 2 week Holiday.

Mr Archibald

## Year 2 Muluny

As Term 1 wraps up and our students (and families) head off on a well earned break, we remember the time we had counting arrays, checking leaves for symmetry, writing character descriptions and doubling the consonant to add 'ing' and 'ed'. It has been a fabulous start to 2024 and we look forward to continuing our learning journeys. Well done Year 2 Muluny for your 'can do' attitude and continuing to strive toward being the best YOU!

### Years 3

As Term 1 comes to an end, I like to reflect on all the hard work we have done. From NAPLAN to Easter hat parades, swimming carnivals to crazy sock day- plus all the learning in between. It has been a fabulous start to Year 3, and I can't wait to watch them continue to grow over the next three terms. We hope that you all have a well-earned rest and come back recharged for Term 2. 😊

### Year 4/5

We have had a fun, jam-packed start to the year. It has been fantastic to see the growth that students have already made, especially in persevering with new, challenging tasks, accepting and applying feedback and striving to achieve their personal best.

## Year 5/6

As term 1 comes to an end I want to congratulate our class on their efforts with their commitment to practicing our end of term assignment as well as their efforts with the Easter Hat Parade. The last week of school is another busy week with our OVLC cross country day, crazy sock day and end of term assembly. We look forward to the holiday break but also are excited for lots of extra curricula activities starting next term such as PSSA soccer/touch football, debating, premiers spelling bee and multicultural speeches.

Congratulations to Chayce, Bridget, Lyla and Jaxon who won age champions and to all our other students who had a go on the day!

## The 2024 Australian Early Development Census

# Every school counts

The Australian Early Development Census (AEDC) is a national census that builds a picture of how children have developed by the time they start their first year of full-time school.

Every school has a vital role to play in helping our nation collect the information it needs to better understand and respond to the needs of children and their families.

Since 2009, communities, schools and governments across Australia have used AEDC results to help provide services, resources and supports that give our kids the best start in life.

From May 2024, teachers will complete the census for children in their first year of full-time school.

AEDC results for individual children are not reported and individual children cannot be identified.

With the support of parents/carers and schools, we can build a more complete picture of early childhood development in Australia. If parents/carers consent to the collection of their child's information they do not need to do anything. Parents/carers only need to contact the school if they do not consent to the collection of their child's information.

To find out more about the AEDC and how schools, communities and governments are using the data to help children and families, visit [www.aedc.gov.au](http://www.aedc.gov.au).

Good afternoon, parents & Carers,

We have a few updates for the following fundraising events: -

## Mother's Day Stall:

Mother's Day Stall will be on Wednesday 8<sup>th</sup> May 2024. We will send home a flyer closer to the date. If you would like to volunteer to assist the P&C with the stall, please contact us.

## Canteen:

We are always grateful for new volunteers in the canteen, and we are still looking to fill the canteen roster for this Term. We need more volunteers for Fridays. Please see the vacant dates below and contact us at [nanaglenpandc@outlook.com](mailto:nanaglenpandc@outlook.com) if you can volunteer your time and skills. We receive beautiful artwork on lunch orders and sometimes little notes from grateful students. Thank you very much. Please keep them coming as they make our day!

Our P&C Smile Award goes to **Emma D** for having a kind and uplifting message on her lunch order bag.

Wishing you all a lovely holiday break!
